## **Construction to begin on Interstate 29 and at Reynolds Crossroad Bridge**

Construction has begun Thursday, June 7, on Interstate 29 between Buxton and Thompson and at Reynolds Crossroad Bridge. Work consists of median crossover construction along I-29 and bridge deck replacement at Reynolds Crossroad Bridge.

Reynolds Crossroad will be temporarily closed for a portion of the project and an alternate route will be provided.

During construction:

- Traffic will be reduced to one lane in each direction
- Speeds will be reduced
- Motorists may experience brief delays
- Flaggers may be present
- A 22-foot width restriction will be in place

The project is expected to be completed in late August.

The traveling public should use caution when driving through the construction zone. Motorists should allow extra distance between their vehicles and the vehicles in front of them, use extra caution and obey flaggers and posted signs.
